## PRESIDENT'S MESSAGE

As you are reading this, the dirt work has begun on the pistol range. All rifle and pistol ranges will be closed during the weekdays; however they will be open on the weekends. Please be patient as we are trying to enhance down range safety. Weather permitting; it will be done by the end of April. Updates will be provided as work moves forward. This work should not interfere with regularly scheduled shooting events. As always, think safe and shoot straight!
