PRESIDENT'S MESSAGE

What a treat to see so many energetic scouts enjoying themselves at the gun club during the Boy Scout's Klondike Derby on January 21st! With all the scouts and troop leaders participating, the volunteers' efforts to instruct and keep them all safe at each station and while traveling between were greatly appreciated. Thank you for sharing your club for the day! As always, think safe and shoot straight!

SPORTING CLAYS

The new covered 5-Stand is now fully finished. The new Wi-Card system is installed and fully operational. If you have not traded your digital counter, or purchased a new Wi-Card, (10.00) you will need to do so before you can use the 5-Stand system. When you purchase your Wi-Card, or trade your digital counter, you will be given an orientation to the system. Our goal is to complete a total conversion of the Sporting Clays Course to the Wi-Card system so that you can access the course anytime the club is open.

We will continue to use the Metal lock box for the Clays course until the rest of the system is installed, weather permitting. The Metal lock box is located under the patio for your access. (key required) The course has been plowed and has 11 stations ready for your use. You can exchange your digital counter on any Saturday through February.

Our 5-Stand Buckle shoots start on **Feb. 4th** and runs throughout Feb and March with shooting on every Saturday, with sign up at 11:00 am. Mark your calendars for the start of Spring League Starting on **April 13th** 2017. You can contact Trevor or Chris Valdez for additional info.

See you on the course... see the bird, feel the lead, trust the shot.
