PRESIDENT'S MESSAGE

It looks like the summer heat has arrived and with that comes the fire danger. I ask that all members and guests be vigilant and watch for smoke and fire. Don't forget the no-smoking outside your vehicle rule.

I would like to thank the Boy Scouts, Buddy and any other members including the father and his 2 little boys that delayed their shooting time to assist with rail repair, gongs and the NEW 7 yard backer board on the pistol range. Your help was greatly appreciated. As always, think safe and shoot straight!

MEMBER SERVICES

MAGNETS vs GATE CARDS: Magnets win every time. The plastic gate cards that raise the front gate have a mag strip in them that will be de-activated if exposed to a magnet. We have encountered issues with money clips that have magnetic closures so please avoid storing your card near those. If your card stops working at the front gate and you know your membership is current, please contact the caretaker for replacement: 259.0006.

To all members: The club is non-profit and all events and programs that are held here at the club are organized, maintained, set up and tore down all by volunteers. This helps keep memberships at an affordable rate and makes it so members and guests can enjoy a fun, safe, and relaxing shooting place. This is why there are division meetings, so members will know when help is needed on events throughout the club. You can leave your contact information with the division presidents and they can contact you about the events.
