## PRESIDENT'S MESSAGE

I want to thank everyone for your patience during the berm upgrade on the pistol range. The berm speaks for itself and safety down range is greatly improved. I would like to remind everyone that ANY device that replicates full automatic firing is not allowed on ANY of the ranges.

We would also like to welcome Jim Sanders to the Board of Directors. He will finish out the year in place of Shawn Hanser.

As always, think safe and shoot straight!

## CONSERVATION

The Billings Rod and Gun Club board voted to send a letter to new Secretary of Interior Ryan Zinke urging him to release federal wildlife conservation grants that he froze recently. The money is generated by sportsmen through firearm, ammunition and hunting equipment sales and distributed to the states by the U.S. Fish and Wildlife Service. It represents a significant portion of revenue for ongoing and future wildlife programs. By freezing the grant payments, Zinke has put many of those programs in jeopardy.

## SPORTING CLAYS

The Clay's course is open for your use. The entire course has been converted to Wi-Fi card system. Bring your old counter to the Clays building and change it out for a Wi-Fi card or you can just come up and use the system and be charged for only the birds you shoot.

The Sporting Clays spring league is in full swing.... Come up on Thursdays and shoot the course. You do not have to be on a team, we will find someone to shoot with. Shooting starts at 4:00 and burgers are on the grill.

June shooting will include League on Thursdays; a NSCA registered 300 Bird shoot on **June 3<sup>rd</sup>**, a fundraiser shoot for Shawn Hanser and family **June 4<sup>th</sup>**, the SCTP Montana State shoot will be held at the Clays and Skeet fields on Saturday **June 10<sup>th</sup>**. Gebben Miles has been re-scheduled for **July 24<sup>th</sup>-29<sup>th</sup>**... contact Butch Smart or John McCleary for more information.

There are some great shooting opportunities up ahead...

See you on the course... see the bird, feel the lead, trust the shot.
