PRESIDENT'S MESSAGE

Well the fire restrictions are lifted, however conditions haven't recovered completely so we can't relax our vigilance. Please stay alert for smoke everywhere including landowners ground!

Please remember to carry your membership club with you when you are on club grounds and to purchase a guest pass at the front gate. Reminder of the NO smoking rule, speed limit on club grounds, and leave gates as you find them.

The rifle range will get busier as general hunting season is about to open. Be courteous to your fellow shooters, follow the posted rules and listen to the range officers. They are there to keep everyone safe. EVERYONE on the range is a range officer in a safety situation! As always, think safe and shoot straight!

CONSERVATION

- Youth-only deer season is **Oct. 19 and 20**. Take a kid hunting and help our youth get involved in the Montana outdoors.
- Most southern Montana block management areas that were closed or restricted because of fire danger now are open, thanks to a soaking rain and cooler temperatures. Fire danger remains, however, so please be safe and careful when hunting this fall.

Fall is here, it's a great time to be shooting.... You can purchase your WIFI card by contacting Butch Smart at 690-5078; or Trevor Cunningham at 406-425-2835...this will allow you to shoot anytime the club grounds are open.

October will be an active month as shooters prepare for the National Championships to be held in San Antonio, Texas starting on October 21 through October 29th. There are a number of Billings shooters attending, including a couple of our Junior shooters. The Home Builders Association Shoot will be held on **October 6th**. Good luck to everyone.

Don't let the weather keep you from shooting...There are always great days in October to shoot.

See you on the course... see the bird, feel the lead, trust the shot.
