PRESIDENT'S MESSAGE

I would like to take this opportunity to thank the BRGC members for your patience during the FWP hunter education summer class/field course. I am very proud of our members for giving up a day for kids. As some of you may know this is an accelerated home study course that ends with a day of shooting. We graduated 36 very excited young future hunters, thanks to our members and a host of volunteer instructors.

I'd like to note here that soon you will see range officers on the rifle range to help maintain safety and smooth operation as it becomes busier and busier. With that said I would like to remind everyone of hunter safety rule #4 "ALWAYS keep your finger off the trigger until ready to shoot". This is prompted by the 6 new holes in the baffle board in front of the rifle benches. As always, think safe and shoot straight.
