### PRESIDENT'S MESSAGE

Well it is starting to cool a bit but we are not out of the hot temps yet, so please continue to be vigilant for smoke and fire. A reminder that when on the ranges, please be observant for other shooters down range. DO NOT handle your firearms and do stand behind the red line until all is clear. Be courteous and communicate with others on the range.

Please leave gates as you find them! If you open a closed gate, make sure it is closed after you drive through it. Treat the clubs gates the same as private property gates! Look for the Range Officers on the Rifle Range starting mid-September and please follow their instruction. They are there for your safety!!

As always, think safe and shoot straight!

Irv Wilke ([contact the Club President](#))

### MEMBER SERVICES

Please purchase a guest pass for all adult guests accompanying you on the ranges. If your guest is active military or a military veteran, complimentary passes are available through the caretaker. No guest pass is required for guests 21 years or younger or if a fee is already being paid for an event, ie clay targets, event open to the public, etc.

The following forms can be found in the brochure holder at the main clubhouse: monthly newsletter, BRGC brochure about joining the club and blank membership renewal applications. There is also a depository for membership dues.

BRGC business hours are marked on the calendar above. Please use this time to address membership concerns (broken/lost cards, lapsed memberships, etc) in person or over the phone.

## SPORTING CLAYS

We are receiving lots of positive feedback on the new Wi-Fi Card system... You can purchase your card in the office, or you can just come up and use the system and be charged for only the birds you shoot. Whichever way you decide to go, just come shoot this system!

September shooting will include a gun boat league to begin on September 7<sup>th</sup>, and our monthly NSCA shoot on September 16th-17th...contact Trevor at 406-425-2835 for additional info.

There are some great shooting opportunities up ahead...

See you on the course... see the bird, feel the lead, trust the shot.
