PRESIDENT’S MESSAGE

A foot of snow, a foot of frost and nose-nipping temperatures this past few weeks did not mean that activity stopped at the Billings Rod & Gun Club. While most shooters were hunkered down at home, some folks were busy with the behind-the-scenes activities that keep our summer running smoothly. They were busy writing grants, perusing construction contracts, planning, filling calendars, gluing targets and improving buildings. And finally it looks like we will get in our COVID-19-delayed annual membership meeting and elections (mark your calendar for 7 p.m. April 7). When you get a balmy summer afternoon to shoot this summer, be mindful that a ton of work went on in February to make it possible. As always, shoot straight and stay safe.
