PRESIDENT’S MESSAGE

We recently had an incident involving a member using a club range to teach a commercial class. Member to member instruction is allowed, both free and for pay. Commercial instruction is strictly limited and controlled by the division heads and the board of directors. There are requirements for certification, insurance, and payment amongst others. If you observe someone who appears to be teaching a class on club grounds, please notify our caretaker, Wendy, so that she can take the appropriate action. The member handbook is on the website if you need clarification of our rules regarding commercial use of our ranges.

On a happier note, archery season is in full swing, gun season is coming soon, our skies are Big and Blue again, and we all hope for a glorious Indian Summer and beautiful fall. This is my favorite time of the year; I hope you all enjoy it! One last thing; please take a new hunter out!

ARCHERY

Archery will not have a monthly meeting for October, they will all be out hunting! **They will hold their annual election of officers at their meeting on November 11th at 7 PM.** If you are interested in becoming more involved with our great archery facility, come out and run for one of the officer positions. It is a great opportunity!

Our ranges were very busy this last month, so hopefully all that practice is paying off with our archery season upon us. As always, shoot straight!
