PRESIDENT’S MESSAGE

This is the old guy speaking! All you younger guys pay attention, now is the time to get out and go hunting. Do not miss an opportunity; if you are thinking about throwing your shotgun in on the off chance you and the dog might get to take it for a nice walk, better do it! I have never regretted going hunting, I do regret not going. Make it happen, don't listen to the excuses in your head, just go!

On another even more important note, if you observe unsafe behavior on any of our ranges, PLEASE, calmly and politely address the offender(s) and explain politely why it is important to follow the posted range rules. Everyone truly is a range officer, help our less experienced members become safety conscious advocates. This is everyone's responsibility.

SPORTING CLAYS AND FIVE STAND

Sporting Clays will hold division elections at their meeting on November 15th at 6:30 PM.

The shooting year is winding down. Trap machines will be moved off the North Course when inclement weather arrives. The main course and 5 stand will remain open through the winter months.

Registered shoots have been scheduled for next year on Saturday, May 14th, June 18th, and July 16th. Please mark your calendar.

Target ammunition is in short supply but is available at the club for \$11.00 a box and can be purchased by appointment along with target cards.

We are planning on a winter 5-stand league on Saturdays starting in February and will have a Spring League in April. We have had a good year despite Covid. Volunteers and interested people are always needed to keep a quality Sporting Clays program functioning. Please participate and help however you can.
