PRESIDENT'S MESSAGE

We wrapped up 2021 with the final board meeting of the year. We are truly blessed by our fellow club members who give their time to help run our club. I hope everyone ended 2021 with peace, happiness, and a celebration of Christmas with friends and family. In the new year, take time to count our blessings and celebrate our good fortune to live in what still is the best, most free country in the world. Have a happy New Year and enjoy your time at our club, bring a friend up and introduce them to our great facility and our fine members. Smile, it is good for you too!

MASTER PLAN IMPROVEMENTS – UPDATE

The BRGC is pleased to announce that Master Plan Improvements to the Pistol range and Sporting Clays north course will continue into 2022. The work includes the addition of an 8th pistol bay, a new pistol range parking area east of the clubhouse and a new access road to the future 5 Stand and north course. The improvements are being funded by a FWP grant and contributions to the Master Plan fund via your membership dues. In December, Knife River completed most of the grading work for the parking area and road. As winter weather allows, they will work on the berms, but most of the work will wait until spring arrives. Due to the location of the work and with safety the paramount consideration, both the rifle and pistol ranges will be closed for use while the workers are active. NO WORK WILL BE DONE ON THE WEEKENDS SO RANGES WILL BE OPEN. Please watch your email and posted range signs if weather allows for construction to continue.

BOY SCOUT KLONDIKE JANUARY 22ND – RANGES CLOSED

The Boy Scouts will once again be using BRGC to hold their annual Boy Scout Klondike. **All ranges are closed this day.**

ARCHERY

The next Archery Division meeting will be on January 13th at 7 PM in the main clubhouse. All archers are encouraged to attend! Mark your calendars for February 19th at 9 AM for a target glue party. Come on out and meet other folks that enjoy archery!

Mike Niles ([contact Archery Division](#))

RIFLE AND PISTOL

A change to the pistol range rules has been implemented. Members now can use rifles firing cartridges originally designed for black powder and agreed we should make that change to the pistol range rules.

Muzzle Loaders will shoot on January 2nd weather permitting and will use Bay 1.

Action Pistol may hold a fun match sometime throughout the winter. Watch your emails for news. They have a great year planned for 2022, look at the matches planned here: <http://www.magiccityactionshooters.org/matches>

The Well Armed Woman-Billings Chapter will hold their monthly meeting on Wednesday, January 19th from 6-8pm. All women are invited to attend. For more information go to twawshootingchapters.org.

SKEET AND TRAP

Skeet and Trap Facility is open Sundays from 10 AM to 3 PM to members and public. Skeet fields 1 and 2, and 3 are available to members every day. Tokens can be purchased on Sunday from the desk worker or from the vending machine located on the east side of the building at any time.

Token prices have changed and are now \$5 per token which buys you one round of Skeet.

Our annual New Year's Fun Shoot will be held on January 1, 2022.

SPORTING CLAYS AND FIVE STAND

We are currently working on getting a grant for the new covered 5-stand on the north course, as well as obtaining club target ammunition to have ammunition available for league shooters and charity fundraiser events for next year.

Mark your calendars for the start of our winter 5-Stand Buckle league to start on Saturday February 5th through March 26th.

We are planning our Spring and Summer Sporting Clays League to start on Thursday, April 7th and continue every Thursday through June 30th.

We will try to have a Sporting Clays Tutorial for new and beginning shooters on Saturday April 2nd. We did this last year and this will emphasize safety and how to approach basic Sporting Clays targets. We always encourage new shooters to join our leagues. Attending this Tutorial should make a new shooter more comfortable on the Sporting Clays Course.

Wishing everyone a Happy New Year and hope to see you on the course!
