PRESIDENT’S MESSAGE

First, a reminder; members and guests are required to remain on the trails, roads and shooting stations. We are a shooting club. We have developed nearly all our property as ranges, shot fallout areas or safety zones, there is simply no safe space left for other activities.

Things are really happening at BRGC! Archery 3-D Shoot June 11th and an Archery League started on Monday evenings at 6 PM. The State SCTP (Scholastic Clay Target Program) Shoot, June 25 & 26th, Sporting Clays League every Thursday evening through June 30th and a registered shoot on June 18th & July 16th, Pistol League every Wednesday evening and a match the third Saturday, Cowboys have a shoot on the 4th Saturday and Well Armed Women meet at the pistol range on the 3rd Wednesday of every month. It really is amazing! Check out the club calendar and participate. Get out there and enjoy the Montana Summer, it goes past in a flash!

We will be setting up the course on the 10th if you would like to help with setup or tear down, please contact Isaac Orth or Mike Niles. Archery league meets on Monday nights at 6pm and starting from the club house, shooting 15 targets each night. Our next archery meeting is June 9th at 7PM, come up and meet your fellow archers.

SKEET AND TRAP

Skeet and Trap facility is open on Sundays from 10 AM to 3PM to members and public. Skeet fields 1, 2 and 3 are available to members every day. Tokens can be purchased from the desk worker or from the vending machine located on the east wall of the building at any time.

Token prices have changed and are now \$5 each which pays for one round of skeet or trap.

There are two more registered shoots coming up at BRGC this year. The Yellowstone Open on June 10th -12th, and the Montana State Shoot on August 19th -21st.

SCTP will be holding their state shoot on June 25th-26th.

Summer Skeet League will start on July 5th

SPORTING CLAYS AND FIVE STAND

Spring League continues every Thursday evenings through June 30th. Attendance has been good when the weather is good.

We purchased a semi load of targets for the same price as last year's rate. Shipping and pallet costs were almost double though. However, we will keep target prices will the same for this summer but may have to go up next year.

We have two registered shoots scheduled. Jim Trythall Memorial Shoot on June 18th with FITASC, 5-stand, and a main event. Think Snow on 7/16 will feature 200 targets with a 12-station main and north course.

We did purchase a Rabbue machine with a generous donation from three club members.

On June 25th through 26th SCTP will be having a Skeet and Sporting Clays Competition at the Rod and Gun Club.

At the recent registered shoot, we had 52 trap machines in operation without any mechanical problems. We have a great facility. Target cards and targets can be purchased by appointment at the club from Gary Smith 696-5450 or Mike Davis 698-6493.

Our next meeting will be June 13th at 6:30 pm. Please consider attending and volunteering for the best Sporting Clays facility in the Yellowstone Valley. **Richard Lewallen** ([contact Sporting Clays Division](#))
