PRESIDENT'S MESSAGE

We've had some terrific spring weather so far and can look forward to much more in the coming weeks. With summer just around the corner, I want to encourage all of you to get to the range and enjoy the outstanding facility that we have at the Rod and Gun Club. This is also a great time to try something new. The Club has a lot to offer, and you never know what you might enjoy until you try it. The people in the different divisions are always looking for new shooters and are very welcoming. Don't be afraid to approach any of them and ask them to show you around; they are always willing to give you a tour and explain what is going on. Even better, bring along a buddy and introduce them to the Club and to the shooting sports that we enjoy.

ARCHERY

The next Archery Division meeting will be May 9 at 7 PM in the main clubhouse. Please mark your calendars for a work party on May 11 starting at 9 AM. We will assemble at the main clubhouse. The more help the better as we have a lot of bales that need to be replaced. Another item for your calendars is a two-day evening 3-D shoot on June 18th and 19th after 5 PM. If all goes well we will try to do a second two-day shoot in July. Just a reminder, please don't leave your broken arrows on the course, please dispose of them in one of the trash cans.
