PRESIDENT'S MESSAGE

Hunting season is in full swing. I hope you all have had good luck this fall and, if you haven't had any luck that at least you've been having fun. Hunting season is a great time for making memories with family or friends, and I hope you're all taking advantage of the terrific opportunities that we have in Montana.

You may have noticed the new trauma kits that have been placed on the different ranges around the club. These kits are intended for major wounds and include tourniquets, clotting agent, and bandages. These are not first aid kits so please don't raid them for bandaids or aspirin but use them if necessary. Hopefully they are never needed.

Also as a reminder, the annual Club membership meeting and elections will take place on December 4. Please attend this meeting to learn about club events and make your voice heard.

SPORTING CLAYS AND FIVE STAND

Our season is winding down but the weather is still good for enjoying our four venues. The Main Course, 5 Stand by the Clubhouse, North Super Sport Course and the newly finished 5 Stand building are all open. Come check out the nicest 5 stand in the country! Please park your autos/pickups in the parking lot or the pistol parking lot. Only golf carts and ATA's on the trail.

I want to thank all of our volunteers that helped make the season a huge success! Without you it wouldn't have been possible to host the many events we had!

Next division meeting is an election meeting (president, vice president, treasurer/secretary). If you want to get involved and volunteer now's your chance to make a positive difference. This meeting will be Monday November 18 at 6:30 PM

The Main Course will remain open and are open to shooting to members who have a prepaid target card. Target cards can be purchased at the sporting Clays Clubhouse during a scheduled appointment with either Gary Smith (696-5450), Mike Davis (698-6493), or Phil Gill (696-3875).
