PRESIDENT'S MESSAGE

I'd like to use my space this month to highlight some of the improvements at the club over the last year. The new Lewallen-Trythall Five Stand Building on the Sporting Clays North Course is complete and provides an all-weather facility for shotgun events and casual shooting. We have taken a more proactive approach to road maintenance to stay ahead of the washboards that form on the grades. The club has also moved to an option to pay for membership renewals electronically.

Over the coming year, more improvements are on the horizon. If the applied-for grant funding comes through, we plan to add a vault toilet to the east end of the pistol range, rebuild the cart path on the Sporting Clays course, and add a cover to the western archery range near the main clubhouse. The Planning and Administration Committee has been hard at work identifying and prioritizing Club improvements. The Board works diligently to maintain and improve the Club while still being good stewards of the money you all pay in membership dues.

MEMBER SERVICES

The Club will be offering an optional online renewal system in 2025. Initially, members wishing to pay their annual dues with a credit card can request an invoice for the \$150 annual dues. A \$5 service fee will be charged. Send email requesting invoice to Member Services via the [Contact Us](#) page on the club's website.

ARCHERY

Archery had our monthly meeting on February 13, 2025. Our next meeting will be on March 13, 2025 at 7PM in the main clubhouse.

A hearty thank you to the 10 folks that showed up for our target glue party on February 15, 2025. We were able to glue up a little over 600 targets in less than two hours.

Discussions are still proceeding with trying to get an archery league up and running this spring.
