PRESIDENT'S MESSAGE

Another summer is winding down and Montana's hunting seasons are just around the corner. Please make use of the Club's facilities as you prepare to get into the field this fall. Our field archery courses are top-notch, and the rifle range is a great place to make sure your hunting rifle is sighted in or to test new loads. Guest passes are available so you can bring along a friend. Also, please note our annual open to the public range day on Sept 14th.

This is also a good time of year to consider becoming more involved in the Club. The four divisions will be holding annual meetings and officer elections over the next couple of months, and the annual Club election meeting will be in the first week of December. We have a terrific facility and are always looking for new people to become involved.

A \$5 service fee will be charged. Send an email requesting invoice to Member Services via the [Contact Us](#) page on the club's website.

ARCHERY

ATTENTION ARCHERS: We are implementing a new sight-in rule on the east facing sight-in range. Shooting will only be allowed from under the canopy with no exceptions. Multiple arrows have been found on the neighbor to the east's property which is unacceptable. If you notice someone shooting outside of the canopy, please ask them to cease shooting and/or notify the caretaker or a board member.

Due to hunting season opening, our next meeting will be November 13, 2025, at 7PM in the main clubhouse.

Archery division will hold our annual election of officers at the November 13, 2025 meeting. Anyone interested in running for president or vice-president, please submit your nomination through the BRGC website as we won't have a meeting until election night. We will also be setting our budget, so any special requests should be brought up at the November meeting.
