PRESIDENT'S MESSAGE

Spring has returned to Montana, along with our usual all-over-the-place weather. Please be aware of road and range conditions at the club and prepare accordingly. One of the Club's largest single expenses is road maintenance, so I am once again asking members to observe the 15 mph speed limit and to be courteous of other drivers and pedestrians.

Over the next month or so, you will be seeing significant improvements to the Sporting Clays cart path. This path has needed repair and improvement for many years, and with a significant financial contribution from the Sporting Clays Division and a Montana FWP grant the work will be completed this spring. The new cart will improve safety and minimize erosion and we expect it to serve the Club for the foreseeable future.

Lastly, it has been a few months' worth of messages to you all since I have mentioned this: get out and SHOOT! We have the best facility in the region, and I encourage you to take advantage of it. Join the sporting clays league, attend a skeet event, hit the archery range, or try your hand at an action pistol or cowboy match. Summers are short in Montana – take advantage of every chance to get to the range!
