PRESIDENT'S MESSAGE

General hunting season is now in full swing, and Thanksgiving is right around the corner. I hope you've had a chance to get out in the field and enjoy the great autumn weather in Montana. I would like to thank the folks that volunteered their time as range safety officers on the rifle range this fall, and all the members and guests that made use of the range ahead of hunting season.

As a reminder, the Club and Division elections are coming up soon. This is your chance to be heard and to get more involved in the club. For such a large organization, we have a small group of volunteers and are always looking for new blood.

The annual club meeting and election of board members and officers is on December 2,2026, at 7PM. This is your chance to hear about what has happened over the year and what we have planned for 2027. It is usually a very small group that attends this meeting and we on the board would like to encourage more of you to come and learn more about the club.

Matt Waite (contact the Club President)

SPORTING CLAYS AND FIVE STAND

The next Sporting Clays Division meeting will be held on Monday, November 16, 2026, at 6:30PM in the Sporting Clays Clubhouse. Election of division officers (president, vice president, and secretary/treasurer) will be held at this meeting.

Due to recent price increases by our clay target supplier, beginning September 1, 2026, the cost of 1000 birds will be $300. For first-time purchases that are less than 1000 birds, the cost will be $0.50/bird.

We'd like to remind all members to please pick up your hulls and place them in the green buckets at each station. We have put magnets on six-foot dowels that are stored at stations to assist with picking up your hulls. It's not perfect, but it will pick up most hulls. We have a group of dedicated volunteers who empty the green buckets regularly, but it is you the member's job, not theirs, to pick up your hulls. Thank you for your attention and diligence in this matter.
